

India Trip Safe & Smooth

Best Places to Visit in India + Most Visited 20 Tourist Spots with 10/14/30-Day Routes, Safety + Scam-Proof Steps

Bonus Content

Bonus Pack #1: Printable PDF Pack

Description:

A clean, printer-friendly toolkit designed for fast reference on the road.

Includes:

- Smart packing list (minimal + climate-aware)
- Safe arrival checklist (airport/station first 2 hours)
- Scam script library (what to say, how to exit politely)
- Food & water safety rules (no confusion, no fear)
- Daily rhythm template (repeatable for every city)

This pack exists so you never have to scroll through your phone in a stressful moment.

Bonus Pack #2: Notion Trip Dashboard

Description:

A fully structured digital command center for your India trip.

Includes:

- Day-by-day itinerary
- Flight, train, hotel, and driver details
- Document storage (passport, visa, insurance)
- Emergency contacts
- Google Maps links and saved locations
- Everything in one place. Accessible offline. Calm by design.

Bonus Pack #3: Budget Planner Sheet

Description:

A practical planner that removes money anxiety.

Includes:

- Cost estimator by city and route
- Daily spend tracker
- “Splurge vs Save” decision planner
- Buffer calculator for surprises

This is how travelers avoid overspending and avoid being cheap in the wrong places.

Resources Library (Curated, No Noise)

You'll also get access to a curated resource list, including:

- Recommended apps (transport, maps, language, payments)
- Train and flight booking tips (timing + class choices)
- Offline map-saving workflow
- Checklist library for different trip lengths
- Every resource is tested, simple, and first-timer friendly.
